2004 GREEN SECTION EDUCATION CONFERENCE

Constructing New Pathways to the Future

February 13, 2004 • San Diego, California

For the 23rd consecutive year the annual Green Section Education Conference was held in conjunction with the Golf Course Superintendents Association of America Conference and Show. This year more than 1,000 people attended the Green Section's program on Friday, February 13, at the San Diego Convention Center. Bob Brame, director of the USGA Green Section's North-Central Region, served as moderator for the morning's program of 12 speakers who addressed this year's theme, "Constructing New Pathways to the Future."
